### Fast Flash - quick weatherproof flashing

Fast Flash consists of aluminium stretch netting cast in environmentally friendly polymer rubber. Fast Flash is self-adhesive on the reverse and protected by cover foil that is removed before installation. Fast Flash is available in rolls in three standard sizes and comes in grey, black and brick red.

## Self-adhesive flashing for any roof project

Fast Flash is ideal for anywhere requiring a quick and secure flashing solution. Fast Flash can be installed on roofs with a slope of min. 5° and on almost all roof materials. Fast Flash is environmentally friendly and easy to install as the reverse is self-adhesive, as well as being flexible and very workable.
